

## E-LEARNING COMPUTER REQUIREMENTS

AREA's online catalogue has been designed to be compatible with most devices. The course content is best accessed by devices that meet the following minimum requirements.

### Desktop PC

- Duo core processor with 3.40GHZ
- 4GB Memory
- 1680x1050 recommended
- High speed internet connection
- Microsoft Windows 10 or newer
- Microsoft Edge, Chrome or Firefox 48 or later

### Desktop MAC

- MAC or MAC books Duo core 2 processor min 3.00 GHZ
- 4GB Memory
- Mac OS 10.11 (El Capitan) or higher
- Graphics Display 1680x1050 recommended
- Chrome, Firefox 48 or later – Note Safari is not recommended for e-learning courses

\*AREA E-learning courses may not be compatible with all older model Apple devices.

### Other Devices:

Depending on the learning management system being used to deliver your course, you may access and interact with most course elements, readings, multimedia, and discussion boards through tablets and smartphones. While tablets, smartphones and other mobile devices may allow for some completion of coursework, they are not guaranteed to work in all areas. Please ensure you have a PC or Mac based computer available to complete coursework.
