

Do you have a child or grandchild starting post-secondary education?

Each year, AREA awards two \$2,500 scholarships to children or grandchildren of active Alberta REALTORS®.

The Al Larson Memorial Scholarships are awarded to students who are entering or have been accepted into their first year of post-secondary education; one in a university program and another in a college or technical school program.

In addition to enrollment, the selection committee evaluates applicants' contributions in their community and their leadership qualities in a broad range of extra-curricular activities such as:

- Fine arts;
- Athletics;
- Charitable works; and
- Volunteerism within the school community and the wider community.
