

AN UPDATE CONCERNING THE ITALIAN-SPEAKING AREAS

DECEMBER 2019

Translation

Please pray to raise up a team of saints to advance the Italian translation work. Also pray that the body of work that has already been translated would be completed and published.

Building

The saints in Italy are in the process of purchasing a building to be used as a meeting hall for the church in Milan and possibly as a space for the ministry publication work.

FTTL

Please pray for the young Italian saints attending the FTTL. There is one brother from Naples returning for his fourth term and another brother from Milan returning for his second term. There are also two or three more who are likely to attend in the next autumn term.

Establishing Lampstands

Please pray that the Lord would establish lampstands in Prato and Torino soon.

Churches in Milan and Rome

Pray that the Lord would continue to strengthen His testimony in each of these cities. Pray that a proper and prevailing model of the church life would be raised up in Italy. Pray that the ones serving would continue to be built up and blended together in one accord.
