

AN UPDATE CONCERNING THE BALKANS

DECEMBER 2019

The Balkan region includes twelve countries. In seven of these countries, there are roughly 190 saints meeting in 14 cities. Five of these cities have established the Lord's Table. Because the region is so vast and the places where the saints are meeting are very spread apart, we take every opportunity to blend throughout Europe and particularly within the region at an annual conference held in a different city each year. In 2019 the conference was held in Zagreb, Croatia, where approximately 180 believers gathered to enjoy *The Glorious Church*. Around 20 of these attendees were readers of the ministry whom the saints in Croatia have been burdened to contact. These readers were a result of the distribution of the seven ministry books made available for free distribution by Rhema. These books are available in three of the languages of the region and soon will be available in Bulgarian. In addition, the saints are endeavoring to distribute the Recovery Version of the New Testament to those who are able to read English. For example, the saints in Sofia, Bulgaria, have targeted their distribution to the student neighborhood near a university with a population of over 30,000 young people. Please join us in persevering in prayer for the increase in life and number throughout the entire region.
