- Campers will be having dinner at 6:00 pm on opening day, so please provide a hearty lunch for your camper prior to drop off.

### Telephone

The Camp Fire Camp Toccoa office telephone number is (706) 886-2457. You may call us anytime during camp. We may also wish to contact you so that together we can ensure the most successful experience for your child. During the summer months our staff is constantly in and out of the office interacting with campers, setting up programs, etc. If we missed your call please leave a voice message and your call will be returned as soon as possible.

Emails to [info@camptoccoa.org](mailto:info@camptoccoa.org) are checked frequently, you may wish to send an email as well.

An emergency contact phone number will be emailed prior to the start of your camper's session. If you are unable to reach the Camp Fire Camp Toccoa office in an urgent situation, the emergency contact phone will put you in touch with Camp Fire Camp Toccoa personnel.

Parents are encouraged to let campers enjoy camp independently. For this reason, phone calls are discouraged. In the event of an emergency, calls can be set up through the camp office.

- **CAMPERS ARE NOT PERMITTED TO BRING CELL PHONES TO CAMP.**

### Luggage

Your camper will have a short walk to their cabin/living area so please choose luggage with this in mind. Footlockers or large plastic containers, with handles, work well for packing. Camp Fire Camp Toccoa has a rough terrain; luggage with wheels is not recommended. We recommend that campers assist with packing their luggage so they know what items they have, where they are, etc.

## Lost and Found

Our staff makes every effort to help your camper keep up with his or her belongings. **Please use a permanent marker to label all items sent to camp.** Lost and Found is collected daily and shown to campers. Camp Fire Camp Toccoa is not responsible for any items left at camp. We will not mail items left at camp. Any lost and found items not picked up by August 15<sup>th</sup> will be donated to charity.

## Laundry

Camp Fire Camp Toccoa does not provide laundry services. If your camper is staying for more than 3 weeks please contact our office if laundry arrangements need to be made with an outside party.

## Cabin Mate Requests

Space is provided on the registration form for cabin mate requests. Such requests will generally be honored if both families make the request, and the campers are close in age, grade, gender, and are registered in similar camp programs. In the case of cabin mate request containing campers of different ages or grades, the older camper would be moved down to the younger camper's cabin. Camp Fire Camp Toccoa can only commit to facilitating one cabin mate request per camper. We honor old friendships, encourage new ones and do our best in creating a cabin group that will enable a memorable camp experience for all.

## Camper Mail

For some campers a steady flow of mail to/from home can make a world of difference - while for others it may create feelings of homesickness. Camp Fire Camp Toccoa recommends those writing letters to campers should ask questions about what the camper is doing during their time at camp, share their own camp memories, tell them how excited they are for the camper to share their experiences, etc. Letters informing campers of how much they are missed along with all of the things that are going on in the home without them often inflict feelings of homesickness. **Camper mail will not be accept at drop off.** Mail delivered by the US postal system may be sent to:

Camp Fire Camp Toccoa / Camper's Name  
Unit & Cabin #  
92 Camp Toccoa Drive  
Toccoa, GA 30577

Mail is quite slow getting in and out of our local post office. Therefore, if you would like your camper to receive mail early in the week, it is a good idea to mail at least one letter a few days before they arrive at camp. It is recommended to send your campers with letter writing supplies. Any letter writing supplies brought to camp should be packed in a zip-lock plastic bag to protect against dampness. Pre-addressed, stamped envelopes are quite helpful, especially for the younger campers.

Sometimes the first letter home from a camper might indicate a difficult adjustment and homesickness. A more revealing view of your child's early camp experience could be represented in his or her second letter. Nevertheless, if you are deeply concerned, please call and we'll do some quick research.

## Camper E-Mail

Parents may e-mail your camper(s) during their stay! Although campers thoroughly enjoy receiving hand-written mail, we know there are times when a quick email note is a good thing! Email service is not available to our campers; instead, they are encouraged to write letters, so make sure you send your camper with plenty of stationary and stamps.

Camper email information can be obtained by calling Camp Fire Camp Toccoa prior to your campers stay, emailing [info@camptoccoa.org](mailto:info@camptoccoa.org), or on opening day. The cost of camper email is \$5.00 for ten emails. Campers are limited to ten emails per session. Credit cards are the only form of payment accepted by Camp Fire Camp Toccoa. Cash or checks are not accepted.

## Camper Photos

Would you like to see pictures of your camper at Camp Fire Camp Toccoa? Photos will be uploaded throughout the week to: <http://www.flickr.com/photos/campfiregeorgia/> Camp Fire Camp Toccoa will do our best to photograph each camper throughout their stay but we are unable to honor specific requests.

## Swimming

Camp Fire Camp Toccoa has a Junior-Olympic sized swimming pool. Campers have the opportunity to take part in a water activity (waterfalls, pool, slip and slide, etc.) each day. All campers are required to take a swim check at the beginning of each session. Campers who do not pass the swim check will be provided with a PFD (personal floatation device.) This requirement ensures the safety of your camper while he or she is in the water. Female campers are required to wear a one piece swim suit.

## Weather

In the event of light rain, we will go on with our daily activities and get a little wet. Please pack appropriate rain gear for your camper. During thunderstorms all campers and staff will seek shelter indoors until the weather has cleared. In the event of a severe thunderstorm, tornado watch or warning, or high wind advisory, operations will be delayed until it is safe to continue. For any weather emergency during the camp day, all individuals on property will follow the Camp Fire Camp Toccoa emergency procedures. Join Remind (see attached) to stay informed of inclement weather updates while your camper is at Camp Fire Camp Toccoa.

## Trading Post

Camp Fire Camp Toccoa operates a small Trading Post (camp store) where campers may purchase t-shirts, souvenirs, water bottles, stamps, etc. A \$25 deposit is sufficient for the week but you may choose to deposit more or less for your camper. Trading Post monies can be deposited during camper check in. All deposits must be made via credit card; **cash or checks are not accepted by Camp Fire Camp Toccoa.** During camper pick up you may choose to donate any remaining balance on your campers account to Camp Fire Camp Toccoa or have it refunded to the credit care on file. The Trading Post will be open on closing day for your shopping pleasure!

### \*Win \$20 Trading Post Credit\*

Camp Fire Camp Toccoa is giving away \$20 of Trading Post credit per session. Campers can be entered by bringing a ream of standard white multipurpose paper (20 lb weight) on opening day. There is no limit to how many reams you can bring; each ream equals one entry. Paper may be dropped at the nurse on opening day where an entry form can be obtained. One winner at random will be chosen at the start of each session. Donated paper will help cover the cost of operations, printing camper emails, etc.

### Changeover

For campers interested in staying more than one session, we offer the option of staying for the weekend in between sessions. Changeover is an additional \$50 and is available sessions 1,2,3,5,6. Camp Fire Camp Toccoa does not provide laundry services. Campers staying multiple weeks must pack for the duration of their stay. If you would like to visit your camper during changeover you may sign them out between 10:30 am – 11:30 am on Saturday, lunch will not be provided for those who are signed out during this time. Check in for those signed out is between 4:30-5:00 pm Saturday afternoon. For the safety of all campers, on site visitation is not permitted.

### Payments and Refunds

We carefully plan each session of camp for maximum fun. We understand that your schedule may change but our staffing and meal arrangements are finalized based on projected attendance. With that in mind, please read our refund policies carefully.

- Credit card is the only form of payment accepted by Camp Fire Camp Toccoa.
- All registrations require a non-refundable deposit. The balance will be automatically charged to the card on file 2 weeks prior to the start date of your session.

- There will be no fee reduction or reimbursement for absences due to illness, family emergencies, vacation, summer school, unexpected visits from relatives or for any other reason.
- There will be no fee reeducation or reimbursement for changes in programming on our part. All decisions to change programming are made with the best interest of the camper's safety and experience in mind.

### Tipping

Although we appreciate your kindness, gratuities are not accepted. If you truly want to acknowledge a staff member, you are welcome to make a donation to Camp Fire Camp Toccoa in their honor. Your thoughtful gesture will be acknowledged at our weekly staff meeting.

## Staff

Camp Fire Camp Toccoa is accredited by the American Camp Association (ACA). Our camp has a full time CEO who has spent many years at Camp Fire Camp Toccoa both as a camper and as a staff member. Our Camp Director has spent multiple summers on staff at Camp Fire Camp Toccoa and has many years youth development experience. Additionally, our Program Supervisor is also an alumnus of Camp Fire Camp Toccoa and is now a full time staff member. Our summer counselors are primarily college students who genuinely enjoy children, love the outdoors and are skilled in their activity areas. Staff members receive an extensive orientation before the first camper ever arrives at Camp Fire Camp Toccoa. Summer staff members are CPR and First Aid trained, are carefully screened through a series of interviews, and have undergone thorough reference checks and background checks.

## Adjustment to Camp

It is common for campers, both new and returning, to require some adjustment to being away from home. Summer camp is often a child's first time away from parents, brothers, sisters, friends and pets. We try our best to keep campers involved in lots of fun activities but occasionally campers miss the routine of home life. Some campers immediately become homesick and might express these feelings in their first or second letter home. Homesickness is normal.

Our staff is prepared to handle homesickness. Some campers need quiet time at first with reduced instructions and stimuli while others may need lots of information and to know things right away. Others will feel fine once they have formed bonds with their counselor and other campers. While at camp, stay positive and supportive in communications with your camper. In most cases, homesickness is made worse when campers call home. If you think that your camper may be homesick please notify the camp director. You can help us by choosing to build excitement and/or reduce anxiety by doing some pre-camp preparation. Express confidence in your child's ability to take care of him or her at camp and that asking for help is perfectly acceptable. Talk about adventures awaiting your child, reuniting with old friends and making new. Consider visiting Camp Fire Camp Toccoa during one of our two Open Houses. This opportunity will familiarize the whole family with camp in general, sleeping arrangements, building locations, etc.

## Behavior

Our program cannot accommodate participants who display chronic or severely disruptive behavior. Such behavior may be grounds for dismissal from the program. Chronically disruptive behavior is defined as verbal or physical activity, which may include, but is not limited to:

- Behavior that requires constant attention from the staff.
- Behavior that inflicts physical or emotional harm on children or staff (i.e. verbally or physically threatening behavior, fighting, etc.).
- Behavior that is destructive in nature.
- Behavior that continually ignores or disobeys.

## Social Network and Blog Policies

- For the safety of all participants, Camp Fire Camp Toccoa does not allow digital cameras or any other recording devices. Participants may not upload pictures or videos taken while at Camp Fire Camp Toccoa to any website, blog or other social media site.
- Parents and participants must be respectful in all communications and blogs related to or referencing the camp, its employees, and other campers.
- Participants must not use blogs or personal web sites to disparage the camp, other participants or employees of Camp Fire Camp Toccoa.
- Parents and participants must not use blogs or personal web sites to harass, bully, or intimidate other campers or employees of Camp Fire Camp Toccoa. Behaviors that constitute harassment and bullying include, but are not limited to, comments that are derogatory with respect to race, religion, gender, sexual orientation, color, or disability; sexually suggestive, humiliating, or demeaning comments; and threats to stalk, haze or physically injure another person.

## Food and Packages

Camp Fire Camp Toccoa provides plenty of tasty and nutritious meals in our dining hall. If your camper has special dietary needs, food allergies, or is a vegetarian you will find space to provide this information on their health history form and it is also advised to call Camp Fire Camp Toccoa and speak with the director/CEO a week prior to the start of your camper's session. We ask that parents of campers who do not have food allergies, do not send food to camp with their campers so we can keep away animals and control food allergies. Camp Fire Camp Toccoa will work with parents of campers with food allergies to create the best experience possible for their camper.

Camp Fire Camp Toccoa does not have ample space to store care packages. Packages arriving before the campers session or after a camper has departed are not the responsibility of Camp Fire Camp Toccoa and cannot be stored or re mailed. **Camp Fire Camp Toccoa will not accept packages for campers during camper drop off.**

\*New this year!\* Camp Fire Camp Toccoa will be providing a care package service for parents. Parents will be able to purchase themed care packages from Camp Fire Camp Toccoa and not worry about the hassle of postage, timing, etc. Watch for an email including details and information regarding our care package service coming soon.

## Health & Wellness

*All overnight campers are required to have a Camper Medical and Health History form signed by a licensed medical care provided prior to attending Camp Fire Camp Toccoa.* An updated Camper Medical and Health History form must be completed each year but can be based on a physical over the last 12 months. This form is required for all campers attending Camp Fire Camp Toccoa. The information collected is not part of the camper acceptance process but is gathered to assist us in identifying appropriate care for your camper(s). Please provide complete information so that Camp Fire Camp Toccoa is aware of your camper's needs. We take pride in the excellent quality of health care we provide to our campers. A camp nurse is always on duty, a local doctor is always on call, and the camp has arrangements for emergency medical care with the nearby Stephens County Hospital.

The Camper Medical and Health History document must be returned three weeks prior to your camper's arrival at Camp Fire Camp Toccoa. *It is advised to also bring a copy while dropping your camper off.*

Forms can be mailed to:

- Should your camper not feel well during the day, he or she will be brought to the House of Health. The most common ailments at camp are due to dehydration, over-exertion and too much heat. A little time out of the sun, some fluids and TLC usually does the trick. If additional care is needed, we will contact you immediately. You will be notified if there is anything more severe than bumps, bruises and the aforementioned ailments.
- Please do not send your camper to camp if he or she is sick. Your child will not have fun and any illness may present a health risk to the whole camp community. If your camper shows signs of a communicable disease while at camp, you or your emergency contact will be asked to come pick your camper up immediately.
- **Prescription medication must be received in its original container. Only the exact dosage required for your campers stay will be accepted.**
- The House of Health is stocked with medication such as Benadryl, Advil, Tums, etc. Camp Fire Camp Toccoa will not accept any over the counter medications that we keep in stock.
- Please provide your camper with a refillable water bottle and sunscreen in order to help him or her stay healthy and hydrated.
