

The Bugle's Blowing

The bugle's blowing,
Get out of bed and get a going.
The KP gong will soon be
Ringing, ringing out on the air.
You still have to wash your face
And comb your hair.
So hurry, Sweyolakan days
Are really not so very long.
With so many things to do,
It is really up to you.
So step, step, step right along.
