*Awaken Your Inner Artist*

VOL. 2, ISSUE 2

FEBRUARY 2021

## Director's Note

Welcome to a brand new day!

2020 is squarely in our rear view mirror. The dust has settled from January and now it is time to turn our eyes towards the rest of 2021 and figure out how to make the best of the uncertain days that we live in. Clearly, the Fairbanks Summer Arts Festival will be amazing and a highlight to your year. But I have two opportunities for you before we even get to July:

**Winter Edition is here.** Stuck in your house? Nowhere to go? The final week of February will have over a dozen workshops to lift your spirits and sharpen your mind. We have a mixture of local and outside artists who will guide you through courses designed to awaken your inner artist from its wintery, quarantine-induced slumber. Log on to [www.fsaf.org](http://www.fsaf.org) to learn more details about what is being offered.

**FSAF is on YouTube!** I am doing a web-interview series of our Guest Artists and it is remarkable. January's episodes are up and include Emily Anderson and Keith Karns. They are super-fun and make me incredibly eager to welcome them both back up here this summer. You can go to <https://www.youtube.com/user/FSAF2012> to find all our videos and subscribe to be updated of when new ones are released.

The days are getting longer. The rest of the year is waiting for us. Let's make it a great one.

James
