What if my child has food allergies?

We take great pride in meeting the many unique needs of our campers and their special dietary needs. With this being said, we rely on parents to let us know about their children's allergy and dietary restrictions during the registration process. You will be asked specific questions during registration and we rely on the information you input. Players with allergies and dietary restrictions will be provided a specific wristband at registration check-in.

Is there a laundry service provided during camp?

Players or parents will be responsible for doing their laundry.

What about safety & supervision?

Players are fully supervised by camp staff during all camp activities. We recommend parents hold players to a curfew of 9:30pm (younger players) and 10:00pm (older players). This is the same kind of policy that would exist if the professional coaching staff were travelling with their own players overseas and players are expected to adhere to it.

My child is a goalkeeper. Will you have goalkeeper coaches for his or her specialized training?

Yes, goalkeeper training will be conducted during each camp by the Academy goalkeeping staff.

Are National Camp scholarships available?

International Academies and Global Image Sports do not provide any scholarships for National Camp.
