

# Driving Rules Miatas @ Hallett

Rules are in place to ensure that everyone has an enjoyable and safe experience during this event.

1. All **first time** Drivers **MUST** attend the High-Performance Driving Education classroom at 7:30 on the second floor of the Hallett Tower. Gates are open at 7 so early birds may walk, bicycle, or golf cart the track during the sunrise hour. You can also prepare by viewing the counterclockwise onboard lap on the Hallett website.
2. **All** Drivers must attend the morning Drivers' Meeting at 8 a.m. A roll call will be taken. Passing areas will be explained in the Drivers' Meeting and there will be a review of the flags used to communicate with you on track. 8:45 Ride around for any interested drivers. On track with **group 1** at 9:00. (should be Advanced)
3. Passing in unapproved areas will result in a Black Flag and the Driver will be required to come into the hot pits for a discussion with the Chief Steward.
4. Two (2) wheels off the track will result in a Black Flag and the Driver will be required to come into the hot pits for a discussion with the Chief Steward.
5. Four (4) Wheels off the track or significant loss of control determined by Hallett personnel will result in a Black Flag and the Driver will be required to come into the hot pits for a discussion with the Chief Steward and may result in loss of Driving Privileges for the remainder of the session.
6. Two (2) Black Flags during a session will result in loss of driving privileges for the remainder of the session.
7. Three (3) Black flags for the day will result in loss of Event Driving Privileges and you will be asked to leave the track.
8. Slower cars (Drivers) shall point faster cars around in established passing areas. Do not keep faster traffic behind you. The driver being passed should hold the line. It is up to the passing driver to make a safe pass, only one car at a time.
9. All Drivers will be required to go through the CLEAN TECH prior to Grid before their first session. (Two driver cars will require two (2) CLEAN TECH Inspections)
10. Racing or aggressive driving will not be permitted. Anyone violating the rules of the high-speed driving school will be asked to leave.
11. No passengers are allowed, except instructors, event participants for the purposes of instruction or potential participants. Passengers must have an automobile license in their state of residence.

Remember while on track, you must keep all limbs inside the car, no hand-held cameras, no smoking, helmet on until you are in the pits, pay attention to the flags. Keep your **concentration level on** until you turn the key off. Many times, off-course excursions take place on the cool-off lap. After taking the checkered, drive half speed for that final lap to cool the brakes, tires, and engine.
