

How to Obtain a MSA Course Certificate

1. Enter in your browser's address bar: msasafety.configio.com
2. Click on **'Login'** (top right button)
3. Enter **Username** and **Password** in the Returning Customers field >> click on **'Login'**
4. Select **Account** (tab, top menu) >> **My Account**
5. Select the **'Print'** button within the My Certificates block to view/print a certificate

IMPORTANT: If a person registers you for a course under their email address, your certificate will appear in their account.
