

How to Obtain a MSA Course Certificate

1. Enter in your browser's address bar: msasafety.configio.com
2. Click on '**Login**' (top right button)
3. Enter **Username** and **Password** in the Returning Customers field >> click on '**Login**'
4. Select **Account** (tab, top menu) >> **My Account**
5. Select the '**Print**' button within the Certificates block to view/print a certificate

IMPORTANT: If a person registers you for a course under their email address, your certificate will appear in their account.
