

CHALLENGER SOCCER ACADEMY

Brogan Marshalsey

Coaching Background:

This will be my fourth year coaching with Challenger sports in the New England Region and across eastern Canada. I have coached players of all ages and abilities. The past couple of seasons I have been able to work with my College in coaching the girls in a pre season league before their outdoor season begins.

Playing Background:

Began playing at the age of three at my local club called Glenrothes juniors, played with a boys team until I was 16. Then moved on to Dunfermline Athletic at U17 in the Scottish women's premier league. I played for the East of Scotland regional squad U19 team for two years. In College I played Varsity Soccer for both the indoor and outdoor team in Canada.
