

CHALLENGER SOCCER ACADEMY

Oliver Emerson-Brown

Coaching Background:

For the past two years I have been coaching Abbey Meads FC boys teams who are aged 8 - 14 years old. The team is a mixed ability group and I coach the boys twice a week to really focus on their development. Previously I coached at my local towns soccer camp during the summer time as part of my DOE Award. The focus age group here was coach 7-11 year olds.

Playing Background:

I started playing club football when I was six years old and represented Chippenham Town FC and Corsham Town FC at youth level. I made my senior debut at 16 for Corsham Town FC and represented them in the semi- professional Western League and the Wiltshire Premier League. I currently play small sided soccer with friends and I am a goalkeeper.
