

# CHALLENGER SOCCER ACADEMY

## Michael Walters

### Coaching Background:

I manage and coach an adults Sunday league team, something I've done for nearly 7 years. I also coach our local children's team. Started with U7's and have moved up with them, now U12's. I also work full time providing lessons at an indoor center for children aged 4-17 & having been doing so for several years. With football (soccer) I have been involved for over 20 years and cannot wait to get to America to share my enthusiasm, passion and knowledge of the game. My mother also runs a home day care so throughout my life I have been around to support & help children grow & develop.

### Playing Background:

I am a defender and have played amateur level for the same team my whole life, Hockley Heath. From U8's to the adults team now. I have moved up the ranks from children's team, U18's, first team, first team captain and now player manager. It has been a privilege to have been a part of and added to, the history of such a fantastic club and local community
