HOW THE PROGRAM WORKS

- Homework Club is open to students grades 6–12. It operates every school day (*including half-days*) from after school until 5:30PM.
- Upon dismissal at the end of the day, students will gather their belongings, have time for a snack, and proceed to the Multiple Purpose room, where they will sign into Homework Club at 3:30PM.
- From 4:00-5:30PM students will be brought into the Multiple Purpose room for quiet homework time. If students do not have homework, they can do any quiet activity.
- If students have a club or need to attend tutoring with a teacher directly after school (prior to the start of Homework Club), they may sign into Homework Club once they are finished.
- If students have tutoring, a club, sports, or other school obligations during the hours of Homework Club, they may sign out to attend to them, and then return to Homework Club.
- Parents do not need to communicate to us which days their children will attend; parents are responsible for instructing their children which days they should attend Homework Club, and which days they will be picked up.
- We do not assume responsibility for registered students unless and until they actually sign into Homework Club. **Once they sign in, we will be responsible for them until parents pick them up and sign them out, or until they are dismissed for athletic practice.**

WHAT HOMEWORK CLUB IS...AND IS NOT

Homework Club is a safe, structured environment in which students may quietly work on homework until their parents arrive to pick them up or until they are dismissed for athletic practice. While we allow for quiet peer tutoring, it should be noted that Homework Club is not a “tutoring service.” Homework Club monitors will be there to help the occasional individual, but they will not be able to work individually with students for extended periods. Students who require individual tutoring should make arrangements with their teachers, or they may take advantage of the peer tutoring option.

Homework Club monitors assume that students will work independently on their homework, and that, once their homework is finished, they will read, work ahead, play some of the quiet games we provide, etc. Monitors will not be checking to see that each student has finished his/her homework; completing homework is each student’s responsibility.
