

TREAT YOUR CHILD TO A **BIRTHDAY PARTY!**

SOCCER SHOTS BIRTHDAY PARTY:

*Bring all the fun of a Soccer Shots session to your child's birthday. Our Instructor will come to you with all the necessary equipment and prizes for 45 minutes of Soccer Shots fun and games. (*Note: We do not have a set location for Birthday party events, but will recommend local parks or partner organizations if you need help reserving a space for the party.)*

Soccer Shots sessions are age appropriate and are led by highly-trained, energetic Soccer Shots instructors. The primary objective of each session is to creatively introduce your child to the sport of soccer. Our soccer experience allows children to explore their abilities in a safe environment while encouraging them to practice good values and character. Through principled instruction, we teach basic soccer skills, work on gross motor development, and play lots of fun, creative games that meet children on their level.

Soccer Shots sessions incorporate the following:

- Basic soccer skills
- Exclusive Soccer Shots games
- Word of the Day—(character component)
- Use of imagination
- Celebratory excitement: great for special events.
