F.A.Q.

Where can my child participate in Soccer Shots?

Soccer Shots is held at childcare centers, schools, and public locations throughout the greater Pittsburgh area. Our public programs are open to the general public. However, only children enrolled in a specific childcare center or school can join programs held at our private locations.

What type of equipment will my child need to participate?

Soccer Shots provides all the equipment needed at each session. Just make sure your child wears sneakers and comfortable clothing. Cleats and shin guards are NOT necessary.

Can I have Soccer Shots start a park program near me or at my child's school?

Yes! We are always willing to launch new park programs. At a park or community location, you can make this happen by forming a group of 6 children willing to participate in Soccer Shots. To help facilitate bringing Soccer Shots to your child's school, please contact us to see how we can work together towards this goal. You will receive a FREE season for your child to participate as a thank you.

What experience does Soccer Shots have teaching children this age?

Soccer Shots has been serving children and families for over 8 years in South Western PA impacting over 7000 kids a year now. We are a part of a larger franchise system that impacts over 300,000 children a year in over 150 cities in the United States. Our goal is to cultivate a love for soccer and fitness. We are firm believers that each session a child is capable of learning something new about soccer and life while having fun!

What can I expect from a Soccer Shots session?

Soccer Shots sessions are energy filled and involve skill development, character words, and fun! Our weekly sessions are built upon a specific theme. Our coaches take great pride in teaching your child new soccer skills while having lots of FUN!

What happens if a session is cancelled due to inclement weather?

Soccer Shots guarantees to make up 2 cancelled sessions per season. At our private locations (childcare / preschool / elementary school), we coordinate with the decision makers on-site to decide on make-up plans. For our public programs, we use the designated makeup dates noted at enrollment and listed in our pre-season welcome emails.

How do I know if a session is cancelled due to inclement weather?

If a cancellation is warranted, a decision will be made at approximately 8 AM (for morning sessions) / by 4:00 PM (for evening sessions) on the day of our classes. It is the parents' / guardians' obligation to check our Facebook page: www.facebook.com/pittsburghsoccershots for class cancellations. We will also post cancellations on the "From the Sidelines" section on our website www.soccershots.org/pittsburgh. We will also try to send weather updates via email and text (if very urgent or last-minute) so PLEASE be sure you have provided us with valid contact information.
