HOW TO GET TO THE ATRIUM BANQUET CENTRE

BY CAR:

Take the QEW and exit at Burloak.

Go North

Turn left at 1100 Burloak Drive (in between the 2 stone pillars) right BEFORE the Courtyard Marriott

Once you've turned into this lot, follow the sign that says 5420 veering left along the parking lot bend to the 2nd office tower with the mabe|GE Appliances Sign on the top

If you miss this entrance, you can turn Left on The North Service Road, follow that around the bend and the building is the last office tower you see on the left-hand side

Please use a navigation APP that includes traffic as the morning commute can often be double of normal travel times.

BY GO TRAIN:

Take the Lakeshore West Line to Appleby Station [Appleby Station Link](#)

From here, you can:

1. Walk (exit on the Harvester side). This will take you approximately 40 minutes.
2. Catch a Taxi/Uber (taxi's are on the Fairview Side)
3. Take a Bus (catch busses on the Fairview Side) You can transfer for free with your Presto card.

BUS TRANSIT INFO:

Bus fares are \$3.50 each way, if you have a Presto card it is \$2.75

If you choose to take the bus from the GO station, you will take the 81 bus. This will get you to the Atrium in under 5 minutes of leaving the station. Please note you can "transfer" with your presto card and do not need to pay again.

Going to the Atrium, you will get off at stop number 1020 right in front of the Watts Water Technologies building. This is the 3rd stop once the bus turns onto the North Service Road. Again, see the map attached to show you exactly where the closest stops are.

Going back to the Go Train Station you will catch the bus at stop number 644. This bus stop is on the same side of the road as the Atrium on the North Service Road.

You get exact wait times for the next bus by:

1. Calling 289-812-8202 and entering in the stop number
2. By visiting <https://myride.burlingtontransit.ca/>
3. By texting 289 812 8202 and entering in 644 81

See more details at <https://myride.burlingtontransit.ca/Pages/NextBusSmsInstructions>

Below are schedule maps with "approximate times" to and from Appleby station but I recommend you use the 3 options above for more exact times.
